Susan B – Less than two years ago our balance was less than \$1000. Intergroup has come far – fundraising, workshops, etc.

Carol – Should we share our figure with our groups?

Susan B – Probably not but do extend thanks for contributions.

Shelley – Looked at donation activity for the group she represents.

Edna – Looked at donation activity for the group she represents.

Susan W – There may be an issue with how things are being entered based on what she's aware of for the group she represents.

Update: Davidson Saturday & Charlotte Friday 10:30 need to be removed.

Susan B – Encouraged Carol to reach out to groups that don't show donation activity.

Susan W – Will reach out to the rep for one of the meetings.

## **Website Report**

Alice – Kelly put a new interface on it. They've been trying to connect so Alice can make updates. Has received feedback that it looks great. Susan B – Tried it and could navigate also. Great menu options now. Susan W. submitted some material and will continue to forward the stories she receives.

## **Group Outreach**

Carol – She found a list of numbers from a recent workshop and called all of them. It was very rewarding. The calls we to people outside our Intergroup. They were thankful to receive a phone call. What she'd like to do is take informational booklets to give to medical and clergy potentially. Susan B – those aren't conference approved but there is OA approved material available to distribute in that manner. Those efforts fall under PI-PO (public information – professional outreach).

## **SOAR 8**

Richard – Received notification – there will be a virtual conference in October, 23-25. He will be attending. Have offered to refund meals and they've reduced registration. The refund will be returned to the treasurer. He will have a report after the event in November, from the Business Assembly.
