**Funding Committee Report**

Lindsay F – No update.

**Info Line Report**

Susan W – Three calls this month, sent newcomer packets, one came to a meeting.

**Meeting List Report**

Carol – Needs to connect with Alice. Miona – answers calls as phone contact. There was a complaint that we should put on the webpage “no longer in person.” Carol – They are still being listed on the web by geographic location. Maureen – The Saturday is listed under in-person and virtual. She added a note to the in-person that the meeting is currently virtual. Alice – Meeting info is in two places. OA.org still shows in-person. Lindsay – It is our (PI or meeting contact) responsibility to update OA.org whoever is responsible. Alice – Can a meeting be listed on OA.org as in-person and virtual? Maureen – There are two different meeting numbers per meeting. Alice – An outsider would see that as two separate meetings. Maureen – For in-person there is a note that gives information to call or join by zoom during

transition. Carol – The challenge is for newcomers who are looking to join meetings for the first time.  
Alice – We could look at everything under PI on OA.org and make contact.

### **Website Report**

Alice – One event to update from SOAR.

### **Group Outreach**

Carol – Has been busy with that. Has been calling a lot of newcomers and adding them to the daily encouragement text list. Do we want to distribute the Health Care Professional flyer locally?

### **SOAR 8**
