FUND RAISING COMMITTEE REPORT 05/12/18

Susan W, Susan B, Shannon, Alice, Bev, Lee and Richard have completed two phone conferences to date. We are proposing a goal of \$2500 for 2018 and realizing the result will be God's Will in response to our actions. We propose to expand the current 50/50 raffles customary at UNITY Day, IDEA Day, and the Summer Social to a larger **raffle/silent auction**. We will actively solicit donations of a greater variety [Jewelry, scarves, book marks, purses, program books, handmade items (needlework, handmade cards), gift cards (Target, bookstore, gas station, Walmart, grocery, amazon) or services (massage, computer service, gardening, manicure, car wash, house cleaning, etc.]. Anyone with items or services are asked to send email to chair@piedmontintergroup.org The committee and additional volunteers are continuing to discuss the set up and execution of the events. The first will be this summer's social on July 14th.

We may also propose a "Sponsorship or Capital Campaign Drive" in which one time cash donations for specific goals are solicited on special OA dates such as the OA birthday in January.
