Meeting List Report

Carol was not present: Has been up to date; no changes

Website Report

Alice was not present, but sent this message via email:

There is a problem with the website displaying the scrollable, searchable, clickable list of meetings. I don't know why and contacted the help desk of the webhosting group. There is a ticket open and they promised to restore the database to an earlier version by Sunday. I don't know if that will fix the problem or not.

After this weekend if the back-up restore doesn't work I will find another way to get the clickable links back up.

In the meantime, the printable list is still available on the website (see link above) and you can use that to get to any piedmont intergroup meetings.

SOAR Region 8 / IGOR

Stacey M. reminded all groups that there is a lot of helpful information on the SOAR Region 8 website. IGOR representative indicated that struggling groups may be able to discuss whether help is needed for resources (money).

IGOR meeting is coming up in a few weeks and Edna will represent on August 18th
