Susan W. – provided an overview of the 12 Steps Within – David produced a flyer which was sent out to the PI Members

Emoji on the Zoom – on the zoom “Reactions” Settings

Friday group had a group conscience regarding the emojis as potential cross talk. Asked that the emojis be disabled. It is an account level Zoom administrative credential level.

An alternative mentioned was to alter the individual group announcement in the opening script.

Recommendation to have to take this back to all the groups and have their own group conscience.

(Add this to “Old Business” in January)

1. Emoji used as a reaction
2. Meeting List of all who have intergroup rep and those meetings who do not
