

COMING JUNE 6, 2024

LITERATURE MEETING
ABSTINENCE
Focus on Slip Recovery

ABSTINENCE 2ND EDITION

We are starting an evening meeting to serve those who have full-time day jobs and want face-to-face fellowship. This time works well for the meeting host, but if you are interested in an evening in-person meeting, please provide the time and part of town you'd like to meet, and, using the tradition of group conscience we can find a time for a well-attended meeting with experience, strength and hope .
