Meeting ID: 864 7151 2846

Passcode: 495549

Join OA Region 8's Technology Committee in learning more about how to use images when creating flyers, websites, and more. We'll cover the basics of copyright law, review the different types of licenses that may be involved, and give examples of how to:

- Find images online
- Give credit to the creators
- Follow the rules set forth in the licenses.

This session will be recorded if you cannot attend the live event.
