Connecting the Pieces

Step Nine

Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition Nine

OA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Concept Nine

Able, trusted servants, together with sound and appropriate methods of choosing them, are indispensable for effective functioning at all service levels.

Spiritual Principles: Love, Structure, Ability

Summary

Trusted servants are not necessarily born – we "become." Personal growth is the touchstone of OA's Steps, Traditions, and Concepts.

Despite never being "organized," by clearly defined job responsibilities and position descriptions and by agreeing to some baseline experience (prior service work, abstinence, length of time in OA), we allow for effective leadership and the opportunity for members to participate at all levels of OA service.
